Term 3 Issue 8
4th August 2017

Learners today, leaders tomorrow

Dear Parents/Caregivers,

The school holidays were a welcome break for everyone and students and staff have returned ready for the hard work of term 3.

There are already exciting activities planned for this term with our senior students attending the Rugby Tag competition today and the junior students ready to go to the Zoo on Monday.

Last term Mr Hooker was successful in winning the Assistant Principal position in teaching and learning for the rest of the year. Mr Hooker will guide us through the Assessment and Moderation and the Maths work we have started.

We continue to seek parents assistance with car parking at the back of the school near the gymnasium. This car park is not the school's property, the shopping centre management have asked us to keep it clear as a loading and delivery area for businesses. .

Dear Parents/Caregivers,

I would like to welcome our student Social Workers from NACY's as part of the Family Learning Network Program Brittany Wennan and Kara Koler to Craigmore South P.S,

The Social workers have started to speak and work with students and their families. If you would like to be part of this initiative and feel your child would benefit from being involved in the program, please come and speak with me.

Last week I went across to our school gym and said hello to the children and parents from the Playgroup. It was lovely to see some our families and new families using this service to establish new relationships. Our students will be organising small group activities to go across and "play" with the playgroup. The playgroup will also be coming across to visit our library in the future. We look forward to including our community in and out of our school grounds.
