Term 4 Issue 11
27th November 2017

Learners today, leaders tomorrow

Dear Parents/Caregivers,

The year is certainly moving quickly with lots of exciting activities so far and more planned as we finish the 2017 school year.

We've been very pleased by the number of reception enrolments so far this year. Transition continues this week with students spending more time each week becoming accustomed to school, meeting new friends and becoming comfortable with teachers and other adults. If you are aware of other families intending to enrol their children, please encourage them to make contact with the school. This will be a massive help in our planning for 2018.

Just about all of our staff were trained in week 5 in Basic Emergency Life Support. Thankfully the instances where we need to practice these skills are few and far between, it gives us great confidence to train from the experts and hear about correct procedures. It should also give parents confidence that we know what to do should one of our students become ill.

Congratulations must go to Mrs Underwood who organised the Colour Fun Run. We were very lucky with the weather and there was a great deal of money raised for the school. This event clearly had lots of support from parents and students. Student behaviour despite all the fun was excellent.

Behaviour was also commented as a good point from the year 5,6,7 children on Camp at Arbury park. I visited the group on Wednesday night. They were all having a terrific time and working on their learning. Thanks must go to the dedicated teachers who volunteered their time to spend with the students on camp.

Well Done everyone !

Mike Walsh

Final approval of the School Material and Service Charges for 2018:

The Governing Council approved the Material and Service Fees for 2018 at their meeting which was held Monday 31st October.

The M&S Fees for 2018 will be **\$235.00** which is an increase of \$4.00.

The M&S Fees also incorporate the Reception to Year 5's swimming fees. The Year 6 & 7's component assists with the camp subsidy.

Invoices and School Card applications will be sent home early next year. School Card must be applied for every year.

Please Note: If your child/ren do not attend the swimming or camp the component of M&S will still be used to support these activities.

CONGRATULATIONS

Congratulations to Mason from Ms Czupak's class for winning a NAIDOC medal of excellence.

Earlier this year Mason wrote a poem about Reconciliation and Cultural Diversity. A panel of judges including the patron of Koori Kids, Aboriginal Elders, Agency Delegates and members of the community met and judged all of the entries.

Only 20 medals were awarded and it was fantastic to be able to present Mason with a medal at our recent assembly as one of ONLY 20 winners.

WELL DONE MASON!
