OSHC / Vacation Care:

Before and after school care and a vacation care programs are offered onsite run by the Y.M.C.A.

Enrolment trends

It is anticipated that enrolments will return to 240 student because of the impact of year 7 to High School changes. A new school is opening in Angle Vale and we know of students who intend to enrol there already. Enrolment number should remain consistent at 240 students.

Year of opening

The school opened as an R-7 Primary School in 1979 and the Junior Primary was established at the beginning of 1987. There has been a major redevelopment of the schools and the grounds. The new section of the Primary School and the new Junior Primary School were opened November 6th, 1998. The site currently operates as an R-7 school after the Amalgamation process in 2012.

Public transport access

We are Located on Bus route 442 which connects with the train and other bus services at the Elizabeth Centre. Bus 228 travels directly to the city but there is a 10 minute walk to this stop.

2. Students (and their welfare)

General characteristics

Our school values are reinforced regularly with students to instil a sense of Collaboration, Respect, Integrity, Diversity and Responsibility. We recognise and reward students with certificates and canteen vouchers at school assemblies. In our hall we have the 'wall of fame' where students are recognised for displaying our school values. Student work is also rewarded with Principal awards.

All students and staff are placed into 4 House teams which focuses on community in a positive competitive environment. These teams accumulate points in various ways

from sports day, values certificates, good work and other contributions around the school. These points are also displayed in our hall.

Pastoral Care

A Pastoral Care worker works 2 days a week offering support to staff, students and families in a friendly, caring, nurturing way as well as linking and accessing community resources. Students and teachers can seek support by making an appointment.

Wellbeing Hub

A Wellbeing Hub is located within the Primary Courtyard. This facility is primarily facilitated and supervised by trainee social workers from Northern Area Community and Youth Services (NACYS). It is used as a Family Learning Network, conflict resolution (mediation), restorative practice, sensory needs and an area for emotional and self regulation. Consent forms are needed to access the Family Learning Network component.

Support offered

Learning support is provided by a team of Teachers and full time and part time Student Support Officers. Support is provided for all students who have Negotiated Education Plans. Data is collected and used to determine the level of support required and intervention. Students also receive support for learning difficulties and who require short term support for reading and Literacy.

Aboriginal students are supported by our AET (Aboriginal Education Team) consisting of 2 Aboriginal Education teachers and an ACEO. Students have Individual Learning Plans with a particular focus on strengthening the child's cultural identity, heritage knowledge and establishing clear and concise academic goals. The AET provides personalised support to students and their families.

Student management

Student Behaviour is monitored by all staff in accordance with our school Behaviour Education policy with an emphasis on the Restorative Justice process. Policies exist in regards to managing Anti bullying and harassment. Classroom and yard rules in line with our policy were created with student voice, staff opinions and leadership guidance.

Student government

At Craigmore South we put value in shaping the leaders of tomorrow. We recognise that students play an important role in developing and shaping the learning and social environment of the school.

Student Voice is another leadership opportunity for senior students which looks at feedback and other in classroom practices.

ATSI students meet with particular focus on identity and heritage. This group has been instrumental in developing our cultural garden area with our groundsperson.

Four House captains are elected and are responsible for coordinating house team events. This role is still in its infancy and will develop greater with time.

Allergies

We have very strict guidelines and procedure for all students with Allergies, be it, bee stings, peanuts etc. Any child with anaphylaxis is identified on yard duty bags and TRT

folders as well as in the staff room. Parents are asked to not send in nut products to certain classes if children in the room have allergies.

Special Programmes

MiniLit, Macqlit. (Literacy intervention programs focussing on phonics and word knowledge)

Quick Maths. (Numeracy intervention focussed on number fluency. This program primarily targets our ATSI population)

3. Key School Policies

Site Improvement Plan and other key statements or policies:

Our school vision '**Learners today, Leaders tomorrow**' is incorporated throughout our school, where we have high expectations and ensure our school values are being upheld across the site through our teaching and learning as well as behaviour by staff, students and parents. These include:

Collaboration, Responsibility, Respect, Diversity and Integrity.

Recent Key Outcomes:

At Craigmores South Primary School we believe that both literacy and numeracy are the foundations to learning, they are a central part of our site improvement plan. We are dedicated to providing our students with rich and challenging programs, and committed to continuously developing our skills as teachers. The following areas have been identified for 2018:

Literacy:

- All classes during the morning session establish a 'Literacy block' which includes reading, writing, word study (phonics, spelling and grammar), and oral language
- All classes F-2 use Jolly Phonics and Jolly Grammar as a synthetic phonics program supported with decodable readers in the classroom.
- Years 3-7 utilise Fountas and Pinnell for reading assessment

Numeracy:

- All classes allocate 300 mins per week
- Misconceptions intervention to numeracy
- Focus on problem solving and reasoning

Wellbeing:

- Focus on improvement of student attendance
- Community engagement
- Student and staff wellbeing through training and support services.

4. Curriculum

Subject offerings

All students from F -7 receive lessons by Specialist Teachers covering Japanese, and Health and Physical Education.

Special needs

Special Education and Literacy support programs are in place. Children with special needs are identified with an NEP and also identified where teaching moderations have to be made against the National Consistent Collection of Data on School Students with Disabilities. Children are given one on one support through SSO's and a Multi Lit program to further enhance children phonological and reading skills. Interagency disability support is utilised to assist staff and students.

Teaching methodology

Teaching instruction focuses on engaging learning, explicit teaching and small group consolidation of skills. Staff employ strategies in higher order thinking, cross age and peer tutoring, small group work and resource based learning.

Assessment procedures and reporting

Our Meet and Greet is held early in Term 1 and parent conferences occur during Term 1 and Term 3. Teachers are reporting and assessing against The Australian Curriculum. A written report is provided in Term 2 and Term 4. Other informal parent contact is encouraged by phonecalls, emails and letters home.
