### Sports Day

Wow, what a wonderful day we had yesterday for Sports Day! The sportsmanship that was demonstrated by all teams was outstanding, and that was evident with how close the scores were.

Congratulation to the Gooronga team!

### Phonics Screen Check Data

Each year, students in Year 1 participate in the Department's Phonics Screen Check. The data obtained from this assessment informs schools and teachers where the students are at in terms of their development in phonics, which has a direct impact on reading development. I would like to formally acknowledge and congratulate all our Year 1 students on an outstanding effort and to our junior primary educators who continue to strengthen and improve their knowledge and skills so they can give our students to best opportunities for success.

Finally, thank you to our families who have supported their child's education by reading with them at home, practising their sight and tricky words and working with us as we strive for growth for every child in every class.

### Staffing

At the end of this term we farewell Sarah Furnell who will be starting her maternity leave. Next term we welcome Amy Doecke who will backfill Sarah while she in on maternity leave.

### Baby News

Welcome to baby Nate ♥

Congratulations to you all.

Our School acknowledges the Kurna People as the traditional custodians of the Adelaide Plains. We acknowledge their connection to the land our school is built on. ## SUN SMART POLICY

A reminder that as the weather begins to warm up the UV rating will increase and sun protection will be increasingly important. We have reviewed our Sun Smart policy with the view of increasing student awareness of the UV rating and reasons why it is important to be Sun Smart. Our policy states that students must wear hats in terms 1 and 4, however it has been great to see an increase of hats over the past few weeks with students understanding how they need to look after themselves.

All students will need to be wearing hats from week 1 term 4.

# AROUND THE CLASSROOMS

A few short weeks ago our year 5/6 classes travelled down to Woodside for a 3 day camp at Woodhouse Activity Centre. The three classes were split into 2 groups for each daily activities which had mixtures of pure fun, tactical and strategical elements as well as teamwork. Activities included GPS tracking, orienteering, ice blocking, bouldering, tube sliding, challenge hill and, everyone's favourite (just ask Mrs Jamieson 😊) LASER SQUIRMISH. Each day the kids awoke to a two-course breakfast from 7:30 filling their bellies ready for action beginning at 9am. Two activities before lunch, then another re-fuel for food, then 2 more after lunch taking us to 5pm. They then had a small amount of down-time before enjoying a wonderful dinner and dessert.....(they were never hungry or without that's for sure as the catering was just simply delicious and fantastic!!). On the first night we packed the common room ready to support the Matildas before heading into their dorms to..... "sleep" 😊 (haha). The second evening included a night walk in between the rainy weather searching for possums and koalas. The final day came around with 2 final activities and a lot of tired legs before loading the bus and shipping out. Overall our 2023 camp was a huge success where the kids had a tonne of fun and formed long lasting memories.
